

ACS APPLICATIONS PER CALENDAR YEAR FOR EACH SUB-MODALITY - based on date of receipt

Figures accurate to date of printing - **Wednesday, 23 December, 2009**

Clinical Biochemistry	Overall Number of Applications received to date	3
------------------------------	---	----------

Submodality :	Paediatric Metabolic Biochemistry	
2007	Number of Applications received	1
2008	Number of Applications received	1
2009	Number of Applications received	1

Clinical Genetics	Overall Number of Applications received to date	319
--------------------------	---	------------

Submodality :	Cytogenetics	
2002	Number of Applications received	1
2003	Number of Applications received	27
2004	Number of Applications received	21
2005	Number of Applications received	16
2006	Number of Applications received	22
2007	Number of Applications received	20
2008	Number of Applications received	33
2009	Number of Applications received	30
Submodality :	Molecular Genetics	
2003	Number of Applications received	11
2004	Number of Applications received	15
2005	Number of Applications received	16
2006	Number of Applications received	18
2007	Number of Applications received	18
2008	Number of Applications received	41
2009	Number of Applications received	30

Clinical Physiology	Overall Number of Applications received to date	5
----------------------------	---	----------

Submodality :	Neurophysiology	
2006	Number of Applications received	1
2008	Number of Applications received	1
Submodality :	Respiratory Physiology	
2003	Number of Applications received	1
2004	Number of Applications received	1
2005	Number of Applications received	1

Medical Physics & Clinical Engineering	Overall Number of Applications received to date	539
---	---	------------

Submodality :	Clinical Engineering, Physiological Measurement & Computing	
2002	Number of Applications received	1
2003	Number of Applications received	10
2004	Number of Applications received	4
2005	Number of Applications received	5
2006	Number of Applications received	11
2007	Number of Applications received	16
2008	Number of Applications received	7
2009	Number of Applications received	18
Submodality :	Diagnostic Radiology & Radiation Protection	
2003	Number of Applications received	4
2004	Number of Applications received	12
2005	Number of Applications received	6
2006	Number of Applications received	11
2007	Number of Applications received	16
2008	Number of Applications received	13
2009	Number of Applications received	12

	Submodality :	No sub-modalities here	
2002		Number of Applications received	1
	Submodality :	Non-ionising Radiation Techniques	
2002		Number of Applications received	1
2003		Number of Applications received	9
2004		Number of Applications received	3
2005		Number of Applications received	2
2006		Number of Applications received	3
2007		Number of Applications received	8
2008		Number of Applications received	4
2009		Number of Applications received	6
	Submodality :	Nuclear Medicine	
2003		Number of Applications received	6
2004		Number of Applications received	8
2005		Number of Applications received	11
2006		Number of Applications received	10
2007		Number of Applications received	20
2008		Number of Applications received	18
2009		Number of Applications received	13
	Submodality :	Radiotherapy	
2002		Number of Applications received	6
2003		Number of Applications received	32
2004		Number of Applications received	23
2005		Number of Applications received	38
2006		Number of Applications received	38
2007		Number of Applications received	42
2008		Number of Applications received	43
2009		Number of Applications received	48
